

this certificate has been issued
to certify that the company

Gustav Heess GmbH

D - 71229 Leonberg

has produced the following products / product groups

Organic Extracts for cosmetics

see product list on page 2 - 5 dated 2-Feb-18

are in conformity with the labelled organic qualities

The quality of the extracts is in accordance with the quality requirements of all natural and organic cosmetic standards such as NATRUE, ICADA, NCS, NSF 305.

The certificate does not entitle to the use of the standard Labels without contract with the respective label owner. Any reference to the Regulation EEC 834/07 with 889/08 It is not allowed on the basis of this certificate.

The products, production procedures and quality assurance systems have been audited according to the **all4quality** audit system in line with the **ISO / IEC Guide 65**

The inspection certificate entitles to the use of the EcoControl TM label,
it serves as an internal quality certification between the producer and his customers

Validity: 2018-12-31
